

## **2019 Architectural Contest Details**

To: South Carolina Architectural Drafting Teachers

From: Sandra McCurry, Clemson University Facilities

Subject: 2019 SKILLSUSA State Architectural Drafting Contest

March 2019

TD Convention Center, Greenville, SC 29607 Room 104 A-B

Schedule: 9:00 am Setup  
9:15 am Written Test (50 questions)  
9:30 am Instructions for Contest  
9:40 am Contest Begins  
12:10 Noon Lunch / Restroom Break  
12:30 pm Resume Contest  
3:00 pm Contest STOPS  
3:30 pm Judging Begins

All contestants will be identified by assigned number. DO NOT write, show, or speak your personal name. Please refer to the contestant adjacent to you by their assigned number.

Uniforms are required. The uniform is a white polo shirt with black pants. The polo shirt MUST have the SkillsUSA logo. Check out [skillsusastore.com](http://skillsusastore.com) for a display of items.

You are recommended to bring your resume in paper format. Turn in to Architectural Drafting Chairman upon arrival for Setup time period. This should be submitted with an outer page or folder that covers it with your assigned contestant number upon it.

### **This problem can be done on:**

- Drafting Board
- 2D CAD
- 3D CAD

Whichever one you choose, just be sure you have the equipment and software to produce the solution. Students are encouraged to bring reference material to the contest. This could be anything from text books, Architectural Graphic Standards to software. It is my goal and that of the Judges, that the most qualified student will be selected from this contest, with no aspects of the selection being based on a particular career center or instructor. The contest will measure the proficiency of the individual, which is the most important element of SKILLS USA.
