South Carolina State Welding Competition

Individual	Contest: (Circle one)	Fabrication (3 man team)
Contestant #:	Date:	
Lab:	Booth #:	
Judge:	Group:	
Category: OFC (MAX points 125)		Scale: 0-25 points with 25 being exceptional
Proper torch set-up		<input type="text"/>
notes:		
Proper operation of torch		<input type="text"/>
notes:		
Square Cut - Quality of cut, straightness, smoothness, accuracy of angle		<input type="text"/>
notes:		
Shape of cut - Quality of cuts, straightness, smoothness, 90 deg angles		<input type="text"/>
notes:		
Proper torch shutdown, valves off, lines purged, hose coiled up		<input type="text"/>
notes:		
TOTAL:		<input type="text"/>
Dimensional Tolerance: (MAX points 175)		Scale: 0-35 points with 35 being exceptional
Accuracy - of work in relation to drawing		<input type="text"/>
notes:		
Accuracy - hole locations & size		<input type="text"/>
notes:		
Quality of cut - lack of slag, no chatter marks, uniformity		<input type="text"/>
notes:		
Consistency of cut edge, angle, straightness		<input type="text"/>
notes:		
Cleaning and overall workmanship		<input type="text"/>
notes:		
TOTAL:		<input type="text"/>
