MASONARY

Student contestants are expected to construct a composite brick and block project in a six-hour period that tests their ability to meet industry standards in quality. In addition to a written exam, projects are judged to determine the winners. The contest project will include components of the most frequently used details in masonry construction.

The SkillsUSA South Carolina Championships follow the current edition of the SkillsUSA National Technical Standards. These are available to professional members (advisors and teachers) following membership registration. Please check the State Updates that will be posted as received by the Technical Chairs related to changes to the competition related to state level competition.
