SkillsUSA 2018

Dye Sublimation Technology
at Midlands Technical College

The following events will be a part of the SkillsUSA
event on March 9th, 2018

1. Written Test - 20 minutes (50 points)
2. File Set-up Preparation - 20 minutes (25 points)
3. Image Application Transfer - 20 minutes (25 points)*

*The Application Transfer section has two 10 minute
sections.*

*We will be using Adobe CC Apps on Apple Computers for the contest
so be familiar with the system and software.*

The contest begins at 9:30am so plan to arrive no later
than 8:30am for registration, etc. Each event lasts
20 minutes and there is a 10 minute break for cleanup
in between each. Depending on the number of contestants,
this contest should completed by noon.

Depending on the final number of contestants or other
unforseen factors, the event times may need to be
adjusted to facilitate a more efficient contest.
