

March 15th, 2019
SkillsUSA
South Carolina State Welding Competition

Individual	Contest: (Circle one)	Fabrication (3 man team)
Contestant #:	Date:	
Lab:	Booth #:	
Judge:	Group:	
Category: SMAW (MAX points 125)		Scale: 0-25 points with 25 being exceptional
Equipment Set-up, correct electrode selection		<input type="text"/>
notes:		
Proper interpretation and application of weld symbol, progression, position, etc...		<input type="text"/>
notes:		
Weld size, and position in joint		<input type="text"/>
notes:		
Weld consistency /uniformity of placement and travel speed		<input type="text"/>
notes:		
Percentage of completion - 100%=25, 80%=15, 60%=10, 40%=5, 0%=0 points		<input type="text"/>
notes:		
TOTAL:		<input type="text"/>
Dimensional Tolerance: (MAX points 175)		Scale: 0-35 points with 35 being exceptional
Accuracy - of work in relation to drawing		<input type="text"/>
notes:		
Parts in correct orientation		<input type="text"/>
notes:		
Squareness of assembly		<input type="text"/>
notes:		
Tack welds quality, size, placement		<input type="text"/>
notes:		
Overall workmanship, cleaning, arc strikes, etc...		<input type="text"/>
notes:		
TOTAL:		<input type="text"/>
