COMMUNITY ACTION PROJECT

A team of two students must develop, execute, document and present a completed community service project that provides a benefit to the community or the school, that demonstrates excellence and professionalism. This event also enables the community to become aware of the outstanding work being performed by career and technical education students. Open to active SkillsUSA members enrolled in career and technical programs with entry-level job skills as the occupational objective. A letter from the appropriate school official on school letterhead stating that the contestant is classified under the provisions of Public Law 105-17, Individuals with Disabilities Education Act, 1997, is required for participation.

The SkillsUSA South Carolina Championships follow the current edition of the SkillsUSA National Technical Standards. These are available to professional members (advisors and teachers) following membership registration. Please check the State Updates that will be posted as received by the Technical Chairs related to changes to the competition related to state level competition.
