Task / Time Limits

Special Notices

* All State Safety and Sanitation Procedures are expected to be followed at all times throughout the competition.

*All Rules will be followed as listed in the Skills USA Technical Standards for The Cosmetology Competition.

Class F Dress Code: Clothing Penalties will result in point deductions.

All Contestants must be in uniform during designated contest times.

Student Kit Check: Contestants will present to the judges all required items located on the supply checklist. All items and kits must be clean, organized and sanitary.

Written Examination: Contestants will have 45 Minutes on a written assessment based on knowledge of Esthetics

Oral Communication: At the conclusion of each competition portion. Judges may ask contestants to explain their theme choice, development or methods of applications. Contestants are asked to keep their explanations brief and under 2 minutes.

Long Hair Design: Create a long-hair design of your choice within a one-hour time period. Incorporate applicable techniques such as braiding, twisting, rolls, loops, etc. Secure hair with hair pins, bobby pins, and bands as applicable. Create a design that is clean, and smooth. Check that hairpin(s), bobby pins and bands are not exposed. Demonstrate balance, proportion, and form in the finished design. Show control of texture and hair direction in the finished design. All-State Safety and Sanitation Procedures are expected to be followed at all times throughout the competition

Women's or Men's Cut and Design: Duplicate only ONE of the predetermined haircuts and designs preselected by the technical committee within a 45-minute time period. All-State Safety and Sanitation Procedures are expected to be followed at all times throughout the competition.

Uniform Layered Haircut / 90 Degrees :

Contestants will create a uniform layered haircut and design within a 45-minute time limit. Styling the hair with dryer and fingers only.

All State Safety and Sanitation Procedures are expected to be followed at all times throughout the competition.

Contest Guidelines (Adjusted to fit State Schedule)

- Contestants will submit all required information at the time of check-in/registration
 - Following orientation, contestants will be required to be dressed in official contest clothing, provide items for the kit check, take the written cosmetology knowledge test
 - All contestants must keep their working area clean and organized at all times.
 - All contestants must follow sanitation and safety procedures throughout the contest at all times. Floor monitors/judges will assess decontamination procedures and safety practices throughout the contest.
- All contestants must provide their own mannequin(s) and stands for the competition
- For the long-hair design station, no ornaments or hairpieces are allowed. No eyelashes will be allowed.

1. **Points may be deducted for the following reasons:**

1. Any rule not followed, with no exceptions
2. Leaving the competition area before completion of task (applies to both contestant and model) without proper escort
3. Unauthorized use of a product that is not allowed or that doesn't appear in the above listing
4. Any product that appears to have been altered. All products and solutions must be properly identified with the manufacturer's original packaging and original labeling. Product labels cannot be defaced.
5. Professional attitude and communication is expected throughout the contest
6. Once time is called, the contestant must stop working. Touching the model after time is called will result in three penalty points.
7. Cellphones are not allowed in the contest area. If models and/or contestants are using any digital communication device, (other than when permitted), points will be deducted.
8. Setup should only consist of items needed for the specific task in progress. Time will be allowed between each task to reset the table. All items should be brought to the contest site in an organized fashion.
9. Required implements and products must be clean, accounted for and professionally organized. Proper control and usage of products and tools will be expected at all times.
10. Any form of communication with observers, judges and other contestants are prohibited during the contest.
